

# CHRISTMAS PARTY CHOIR

Some Voices is "the choir that brings the party" - we swap choir robes for sequins and carols for classic pop tunes. Our talented professional singers will bring your Christmas event to life with uplifting, dancefloor-filling songs. Choose a 70's disco-themed set, a festive pop playlist, a nostalgic movie soundtrack or we can create something bespoke just for your event.

Available for festive celebrations, work parties, light switch-on ceremonies, shopping nights and more, our Christmas party choir will bring joy to your audience and make your event unforgettable.

Want to join in? We can also provide a workshop to teach everybody one of the songs so you can all sing along with us.
